## VISION AND MISSION

The leadership of the institute is working in accordance with following vision and mission:

### 1. Vision

To provide holistic architectural environment for development of students with Creativity, Knowledge, Skills, Values, Entrepreneurial Architects and also make their effective contribution to the society with their innovative design to tackle the issues of Global and Environment development.

### 2. Mission

- To provide quality and value based education to develop skill of students so they become technically sound Entrepreneurial.
- To make students aware of latest Architectural Innovations, Building Materials, Construction Technologies and Architectural Software's, which will encourage them to create innovative designs.
- To provide them knowledge of current issues (global warming, water crisis disaster, natural calamities etc.) and practices done to tackle that issues by conducting guest lectures, seminars and expert guidance.
- Offering students, the cross departmental approach in fields of Construction, Landscape, Interior Design, Product Design and Technologies.
- Encourage students for different National and International Competitions with collaboration of Professional Organization, partnerships for gaining knowledge and exchanges of ideas.
- To integrate moral values and importance of community service through discipline to develop better tomorrow.

### 3. National Education Policy (NEP) Implementation

As our college is affiliated by Pune university so we are following their norms. But as soon as Pune university will give permission we will do NEP implementation. But from our side our faculties members have already attended NEP workshop for better

## INSTITUTE DEVELOPMENT PLAN

The PDEA's College of Architecture is established in 2017, with an intake capacity of 40 students. Institute is running in a wide locality of PCMC.

We have achieved most of the set targets with measurable success from the establishment of institutes. Our First batch of 23 students passed out with good academic records in 2021-22.

Now the institute has reached in next phase of development. Strategic planning for the same is necessary by placing achievable targets within reach.

The strategic plan for the next phase with a specific focus on achieving Short term and Long term plans has been developed to attain the next level of excellence.

Keeping in mind the Vision, Mission, and core values of the institute and analyzing current and expected future scenarios with developing trends in Architectural education across the country, and global strategic plan is developed through the inputs from all the stakeholders. The final draft is presented to College Development Committee for detailed review and discussion, the suggestions are incorporated towards its effective implementation.

The plan is done in accordance with the implementation of the new National Educational Policy 2020 to create Centres of Excellence by utilizing the resources and expertise in each domain keeping the following goals.
