REPORT OF STRUCTURAL MANIFESTATION ART FEST

Date: 07/11/2021

Time: 1:00 pm onwards

Conducted by: PDEA's COA

Brief: Structural Manifestation Collage promises to be an important creative outlet for many years to come because it allows artists to explore and experiment with creating truly new, exciting and often unexpected results.

Aim:

- This lesson not only has students experimenting with the structural art of collage, but it also has them thinking deeply about composition. It's a great primer to get them experimenting with visual storytelling.
- We have discussed how collage means assembling different colours, textures, shapes, and materials to create a new concept.
- Here are some pictures of the students attending the workshop and output given by the students.

Here are some pictures of output given by the students.
