YUGANTAR 2021-22

Date: 12th December 2021 To 16th December 2021

Timing: 10.00 am to 4.00 pm

The entire annual exhibition was hosted by students with faculty coordination, the output worked out to be great. The entire event was held for 4 days. The event was inaugurated by Principal Sir which was followed by a Aarti of Chhatrapati Shivaji Maharaj. The event had the entire entrance foyer decorated with the student work. The students sheet, sketches, study –tour work, thesis sheets all were displayed there.

The exhibition was displayed where student's parents were invited and even the students with new admission had a brief idea of what architecture is and even their parents. The students had displayed various models from large scale to a small scale. A huge sky-scraper building was being displayed at the centre of the foyer which was eye-catching.

The models very made in different material and with attractive colour were catching eyes of the viewers. The gratefully done and finished were the housing models and the settlement layout models. The most eye catching was the entire study tour sheets done on Maheshwar. The intricate detailing was a great job done by our students which was liked the most by the visitors and guest.

There was a faculty group photo, which was clicked as a memory on student insistence. The students hard work really paid off and the event was successful.
