## REPORT ON PLASTIC AND GARBAGE COLLECTION CAMPAIGN

**DAY AND DATE:** 28-10-2019, Monday

**ORGANIZED BY**: PDEA'S College of Architecture.

**AIM:** To create awareness among the students about the harmed caused to environment from plastic and garbage collection.

**BRIEF:** Our College Organized Plastic Collection Campaign. All staff students participated in this campaign. It was a very good experience and pleasing to know that people actually gave their time to us to listen to us and support us. However, our contribution may be little, it was satisfying to have spoken to so many people and know that everyone cares about nature. All they needed was a little push to do their bit and we were happy to provide that and implement it in our own lives.
